

Do you have a family member with a disability? If so, you probably have some unique questions. We're here to help.

- What is "home" to my family member and how do we create it?
- How do I build a network of support for my child or sibling?
- What do I need to know about special needs trusts and choosing a trustee?
- How can my son's or daughter's choices be respected and safely maintained?
- How can I help plan a future for my loved one and make sure it's secured and strengthened over time?

Make Peace of Mind Your 2015 Resolution: Attend the 7 Steps In 7 Sessions Workshop with New Speakers for 2015!

7 Steps In 7 Sessions provides a small group (20 maximum) setting in which you will be guided through reading, exercises and discussion resulting in greater clarity for your future planning. A solid plan is essential for you to have a safe and secure future for your family member with a disability. Discussion is based on the book [A Good Life](#) by Al Etmanski, co-founder PLAN (www.plan.ca) who believes that: "Planning for the future changes the present."

This workshop provides the opportunity for participants to learn from and talk with experts about future planning and to actively dream, reflect and plan together in a supportive and engaging environment.
