Wills & Estate Planning Workshop
Come learn about Will and Estate planning for your family member in a small group setting. A solid plan is essential for you to have a safe and secure future for your family member with a disability. In this workshop, we will cover ways to save for your child’s future, establishing and funding a special needs trusts, and protection of benefits.

The workshop includes key presentation from a practicing Wills & Estates lawyer. Participants have the opportunity to actively learn, plan, and ask questions in a supportive and engaging environment.

Munch & Mix Social
A fun way to reconnect and get to know the Lifetime Connections community better! Bring your favorite munchie and come enjoy games, camaraderie, and network building activities. Open to all Lifetime Connection members, this is a great opportunity to share experiences and learn from each other!

Not a Lifetime Connections member yet, but interested in learning more? This is a great way to find out more in a relaxed, engaging environment. So grab a guest and come join the fun!

Letter Of Intent Clinic
Imagine you unexpectedly leave the world tomorrow. You have taken care of your loved ones monetarily, but what about the other things that you do for the one you love and care for?

The Letter of Intent is often the first step toward building a solid future plan for your child, and we would like to make it even easier for families to complete. Join us, and take the first steps in developing a strong future plan for your child.

Please come prepared to draft your own Letter of Intent at the clinic. You will need to bring a laptop and/or jump drive and come ready to write.
